GLUTEN FREE
RECIPE

Herbs & fruits

Selected herbs and healthy fruits complete this formula and offer the dog a tasty variety.

Performance

Valuable antioxidants can help prevent the influence of free radicals generated due to physical activity. L-carnitine encourages the metabolism of fat, thus making energy more easily accessible for the body.

Skin & coat

A shiny coat and healthy skin are signs that your dog is receiving the ideal food. This is assured by the presence of fatty acids, vitamins and organically bound copper and zinc.

Feeding recommendation:

weight	inactive/ older	normally active	active
5 kg	45 g	60 g	75 g
10 kg	80 g	110 g	135 g
20 kg	135 g	180 g	230 g
30 kg	180 g	250 g	315 g
40 kg	225 g	310 g	390 g
60 kg	305 g	420 g	530 g
80 kg	380 g	520 g	655 g

The recommended feed quantities stated are per animal, per day.
